Great job!

Who will be in the Top 10 SQ YD report next month?

Thank you for all the hard work.

Make A Wish Foundation Work

Over the Christmas season, ACS and store 4148 (Chippewa) teamed up to help make a child's dream come true. Through the Make-A-Wish foundation, the mother of Gretchen reached out to the store manager, Pam Narvett to ask for help giving Gretchen a new bedroom. Gretchen is wheelchair bound as well as autistic and would be moving into a group home where she would likely be for the remainder of her life. Through the efforts of several store associates and a willing ACS installer, the young lady was able to come home to a beautiful new room of her very own. The associates of 4148 and the ACS installer showed what the true meaning of Christmas was all about.
