Great job!

Who will be in the Top 10 SQ YD report next month?

Thank you for all the hard work.

F&I Clearance and New Sign

Currently there are a few changes to the popular F&I program and your signs should have been changed to reflect this. To the right there is an image of what your 72 hour board should look like. The new products are included on the regular sign and the old ones appear as a clearance tab on the side. Please pay attention to check quantities at your local workroom when ordering large jobs! We never want to disappoint a customer or lose an order!
