## 72 Hour Carpet Resets

The 72 Hour Program is getting a new look! Watch for your resets that should be taking place by the end of the month to see. F&I carpets will now be displayed above your carpets pins, along with a channel board explaining the program. Samples for your customers will also be available and stored underneath.

Once your store gets it reset please get familiar with your display. You will be able to remove the current A-frame and put it aside for later use. Please do not throw away these boards!

The carpets available for this program are Thoroughbred Chestnut, Thoroughbred Palomino, Destiny Doeskin, Sand Dollar Sand Dune, Torrent Warm Sand, and Full Throttle Suede.
