Great job 4127!

Who will be in the
 Top 10 SQ YD report
 next month?
**Thank you for all
 the hard work.**

Are you looking for a waiver? How about a floor plan for a customer? Did you know you can access the American Carpet South computer system site at <http://store.acsouth.com> from your internet browser and view a waiver and a plan for any customer's job that has been completed? Try it out today!

Wild West Weekend Event!

Weekend Events are a great way to connect with your customers and get everyone involved! Store **2560** takes this to a whole new level by giving theirs a theme and offering \$10 dollar measures. With their cowboys hats, boots, and popcorn machine they definitely got the attention of their customers. Thanks to their SASM Mike for keeping us involved and making a great day for everyone!

Holiday Reminder!

In observance of Thanksgiving American Carpet will be closed on November 26th, but will re-open the following day. Have a wonderful holiday from everyone at ACS!

Temperature on Install Sites

With cold weather fast approaching lets not take for granted that all installation sites should be heated. Please remind all customers that the temperature must be maintained for three days in order for us to provide the best install. The ideal temperature setting for a jobsite is between 65 and 75 degrees.

Giving Back to the Community

American Carpet South is always excited to help in the community and that is exactly what we did for school MS 331. After donating area rugs for the school we partnered up with basketball player Rory Sparrow for a daylong event. Mr. Sparrow signed autographs and spent time motivating the children with some of his own experiences. It was a day well spent for everyone and we appreciate getting to attend. Thanks to MS 331 for awarding ACS!
