NHANCE TRAINING

On October 16th we had our first Nhance training clinic in the Home Depot! We were able to share with customers all the wonderful possibilities that Nhance offers, including color changes and shifts.

This is a great service to your customers who want a new look to their kitchens without an expensive and invasive overhaul!

For additional information look for Nhance displays in your store or contact your ACS RIM today!

TRAFFIC MASTER COMMERCIAL CARPET DISPLAY

The new Traffic Master program will offer over 250 different style and color combinations. Expect new displays in your stores early November through December. **Featured in the display will be a panel showing the 72 hour carpets.**

A new Labor SKU was created 606-830 to provide an install solution for these SKU's. If jobs are over 3,000 square feet they can be customer quoted by your service provider. Contact your SP with jobs over 3,000 square feet.

With this program are specific **adhesives and pads** tied to each product to maintain warranty. This program allows you to accommodate customers with heavy commercial areas (schools, offices, hospitals) and light commercial areas (labs, retail spaces and doctor offices.) It also lets you offer solutions for outdoor decks, poolside, home offices, play areas and much more!

Using common twist, loop and pattern styles products from this line are ideal for property owners that are renting or selling their locations. Most of these options meet FHA standards look for the logo on the display.
