Great job!

Who will be in the Top
10 SQ YD report next
month?Thank you for all the
hard work.

Are you looking for a waiver? How about a floor plan for a customer? Did you know you can access the American Carpet South computer system site at <http://store.acsouth.com> from your internet browser and view a waiver and a plan for any customer's job that has been completed? Try it out today!

Hummelstown Community Event

On October 08, 2009 Glenn Ushkowitz participated in a "Kaboom" build led by the Home Depot. "Kaboom" is an organization in which donates material and labor in underprivileged areas for playgrounds.

This event took place at the Town and Country Day School in Harrisburg, PA. Many Home Depot associates, store managers and a few other service providers were in attendance along with the DSM.

Is Laminate Right For Your Customer?

Laminate Flooring is a construction that resembles hardwood without carrying the hardwood price tag. Its perfect for customers who need a durable floor on a budget! If your customers are looking for a floor that will stand the test of time, let them know that laminate is coated with protective layers and is almost scratch resistant. It's a great alternative to traditional hardwood and is just as beautiful.

Holiday Reminder!

In observance of Christmas American Carpet will be closed on December 24th, 25th, and the 26th. Have a wonderful holiday from everyone at ACS!

Installer Brush-Up!

On November 18, 2009 American Carpet South hosted an installer training session given by the Beaulieu Company and KoolGlide seam tools. Installers attended this from our main location in Passaic along with managers from ACS and Home Depot. It was a great chance to brush up on some techniques like power stretching and seaming as well as to see what was up and coming for the carpet installation industry. It was a great opportunity for the installers to ask questions and for management to really see how these things are done. Big thanks to Beaulieu for all the support in giving our customers the best possible service!
