Install Facts & News

Flooring Services Specs have gone through a rewrite process for Special Services. The new specs will decrease the amount of variations of flooring installation programs that are currently being used across all divisions. The first division will be in BYO 7. It will be active with the new SKU's beginning **Thursday January 29, 2009.**

Please work with your DSMs and Service Providers to train all affected store associates (D23 associates, Expeditors, SASMs, and Special Services Associates).

The old BYO 7 SKU's will be turned off Monday **March 2, 2009.** Please ensure all new orders will be sold on the new programs beginning January 29th. Quotes not sold by March 2, should be transferred over to the new SKU's.
